GIVE THANKS WITH A GRATEFUL HEART

There seems to be more thought about being thankful during the month of November than any other time of the year. Wouldn't we all be more joyful if we remembered to be thankful every day of the year instead?

People tend to get so caught up in the busyness of life that they forget to be thankful for God's blessings and provision. How often do we look at our family or loved ones and think "Thank you Jesus." How often do people actually sit at the dinner table for a meal and say "Thank you Father for your provision?"

Do we thank Him daily for our children? How about our pets that keep us company when we are lonely? And most importantly, how often do we thank our Lord for dying on the cross for us?

If we have absolutely nothing else in this temporary life, Jesus' sacrifice can be something to be thankful for. He offers mercy, grace, peace, love, comfort, compassion, guidance, forgiveness and eternal life. All we need to do is receive, as these gifts are free from Him.

Each time you pray for what you need or want, remember to thank God for what He has already provided...and give Him thanks with a grateful heart.

The Staff and Volunteers of the Pregnancy Center of The Illinois Valley are extremely grateful for all of our supporters and your belief in what God is doing in the Pro-Life movement.

Blessings for a wonderful and Happy Thanksgiving!! ☺

Attention Men!!

A father figure in a child's life is so important, especially to be a positive role model as the spiritual head of household.

The Pregnancy Center of The Illinois Valley is in need of two Christian men who are willing to volunteer their time in ministering/teaching new and expecting fathers. This position requires parenting skills and knowledge of scripture.

Please contact the center for more information and details if you feel God is leading you in this direction. Please do not ignore the calling of the Holy Spirit...we cannot re-start the Dad's program without dedicated men such as you.

Remember, this Ministry is not just about moms and babies...it is about families. ☺
