God's Perfect Timing

The Pregnancy Center of the Illinois Valley has come a long way since July, 2014. The Community came together as a whole on behalf of the center and the landlord, to clean out the inside of a building that would eventually become our future location.

The Staff and Volunteers are still organizing and working toward making the pregnancy center a welcoming place for the Illinois Valley.

Below is a "before" and a few "after pictures"...it is still a work in progress. We look forward to having an Open House later this year. We will keep our supporters updated. ☺

Save the Date!!!

As autumn approaches, so does the aroma of fresh baked pies. Yes, it's that time of year for our annual "Pie and Praise" fundraiser! Pastor Sonny Moore is graciously hosting this year's event at Bridgeview Community Church. The scheduled date is Saturday, November 14th from 2:00pm to 4:00pm. So, start thinking about baking pies, and invite your family and friends!!

Center Prayer Requests

- ❖ Protection for the center and it's ministry
- ❖ Continued wisdom for our Board members
- ❖ Volunteers with a heart for the ministry ~ including receptionists, mentors, and an additional babysitter
- ❖ God's blessing on our new location
- ❖ Life affirming decisions on behalf of unborn children

Attention Men!

This ministry isn't just about women! Don't be too surprised! A father figure in a child's life is very important, especially as a role model in being the spiritual head of the household.

The Pregnancy Center is in need of two Christian fathers that are interested in re-starting the Dad's program. These men will mentor and guide new dads in their roles as fathers, as well as teach them about the Bible.

Please contact the center for more details if you feel God leading you in this direction. And, to put this in perspective...our current Board Chair is a man of God. ☺

Indeed, this ministry isn't just about reaching women, it is about reaching families.
