A PLACE TO CALL OUR OWN!

A few years ago, we at the pregnancy center had a goal of moving from the small building we were in to the building we occupy now. The interior condition of the building was in disarray, and made the task of moving in quite daunting.

Volunteers from the community and the center alike rolled up their sleeves, and started a clean-up process that allowed the building to be habitable. The results were nothing short of miraculous!

The landlord provided the pregnancy center with a five year lease, which was a total blessing. But wait...there is more...

**** Drum Roll Please ****

We now have a place to call our own! At this writing, the pregnancy center is in escrow! No, I didn't stutter. We are in the process of purchasing the building we are located in and also the building behind it. Our monthly payments will basically be the same as the rent payments we are currently making to the landlord. He is graciously making the transaction as an "owner carry" contract.

Prayers from our supporters that this will be a smooth transition would be greatly appreciated. The staff, volunteers, and board are VERY excited for this opportunity, and modern day miracle!

Our Community is Amazing!

The staff and volunteers would like to express their gratitude to those in the community that donated items to our Annual Yard Sale fundraiser. To those of you that showed up and purchased items and/or gave monetary donations in support of our ministry...you are also very much appreciated!

An additional big thanks to the staff and volunteers for their dedication and hard work getting ready for the yard sale ~ setting up early in the morning and packing up late in the evening after the fundraiser was over. You are all amazing and a blessing to the pregnancy center!

The amount raised in support of the center was \$1000.00!

God is so good!

From the Director's Desk

My season as the Executive Director is winding down. I am truly amazed at this unexpected journey God placed before me two years ago. And, I stand in awe of the blessings bestowed on the pregnancy center since I have been here. I'm so grateful to be a witness to God's unfailing goodness toward this ministry!

I want to thank the staff, volunteers, and board for the encouragement, love and support they have shown me throughout this path God chose for me. As I mentioned in the last newsletter, I will be volunteering at the center one to two days a week helping out as needed.

We are still accepting resumes for the Executive Director's position. Please keep in prayer that God will provide the candidate of His choosing to move the center forward.

Blessings ~ Beth

A Huge Thank You!

Has everyone noticed the building sign with our new logo yet?

The pregnancy center and board would like to send a "shout out" and "thank you" to Noah Robinson for the beautiful work on our new sign! We are very grateful for your faithfulness and dedication!

Also, a "thank you" to John Harding for placing the sign on the building!
